

ATTADALE JUNIOR FOOTBALL CLUB

SMOKEFREE POLICY

RATIONALE

The Attadale Junior Football Club (*the club*) recognises that passive smoking (inhaling second-hand smoke) is hazardous to health and that non-smokers should be protected from tobacco smoke. Passive smoking can lead to other serious illnesses such as bronchitis, lung cancer, cardiovascular disease, and chest illnesses in children. Accordingly the following policy has been developed by the club to help protect people's health.

The move to go Smoke Free also complements the *clubs* desire to create a healthy family friendly environment. The *club* believes that such an environment and image will be advantageous in attracting new members and positively promoting the club in the community.

Legislation and the legal duty of care also provide reasons to have a Smoke Free club. Under common law the *club* has a legal duty of care to ensure that employees, volunteers, players and officials are not exposed to potentially harmful situations. The Occupational Health and Safety Act also stipulates that employees and working volunteers must have a safe environment to work in. Western Australian Smoke Free dining legislation also states that enclosed dining areas must be Smoke Free.

NON-COMPLIANCE STRATEGY

The following five step non-compliance strategy will be followed if anyone breaches the Clubs Smoke Free policy.

1. Assume that the person is unaware of the Smoke Free policy.
2. A staff member or club representative will approach the person breaching the policy and politely ask them to refrain from smoking and remind them about the Smoke Free policy.
3. If the offence continues, then the most senior staff member or most senior club representative will verbally warn them again and hand over a formally written letter that outlines the club's policy on smoking. The offending patron must also be made aware that if they don't stop smoking then they will be required to leave the club's facility. The club's management committee will sign off on the letter. This letter will be pre-written and kept both behind the bar and at the ground so that copies are readily available.
4. If the offence does continue then the patron will be escorted out of the facility by staff and/or a senior club representative.
5. Under no circumstances should the Attadale Junior Football Clubs 's Smoke Free policy be breached: No matter who the offender is.

POLICY REVIEW

The policy will be reviewed three months after its introduction and then on an annual basis thereafter. This will ensure that the policy remains current and practical.
